BUILT-IN KAOS 2 COLOURTHERAPY AIR SPA BATH 2000x1400 BY KOS - IT'S PURE DESIGN

The Sachelle Group, TSG, imports and distributes designer led sanitaryware from Europe to the trade, supplying leading brand names such as Hansgrohe, Villeroy & Boch, Philippe Stark, Keuco, Grohe, Duravit, Kerameg, Bette, and Kaldewei, Hoesch, Burg,, Laufen, and Corian amongst many others.

Our clients also enjoy the peace of mind of sourcing all their products from just one supplier.

Over 81% of our trade comes from repeat business and referrals and we pride ourselves on our unparalleled professional and personal service. From inception through to completion, we work cohesively hand-in-hand with specifiers, architects, designers, pod manufacturers, hoteliers and project managers, striving to ensure that projects are completed on time and within your specified budget.

Our portfolio of completed contract and hotel projects from around the world, including Buckingham Palace, Windsor Castle and The Emirate Towers Hotel, Dubai, Browns Hotel, Lyrath Hotel, is testament to our expertise. So whether your project is large or small, your budget high or low, you can feel confident that TSG has the depth of experience and skill to meet your objectives and aspirations. Just tell us what they are!

The TSG team

Mr Sas Ezekiel MD leads our professional team from our London office. We work closely together with our European offices in Germany and Italy.

Our warehouse, distribution and transport teams are responsible for the regular import and distribution of designer led sanitaryware for commercial projects throughout the world.

Together, we are committed to completing projects on time and within budget for specifiers, architects, designers, hoteliers, buyers and project managers.

We are geared towards increasing profit margins for our clients year on year.

TSG - Goals & Objectives

To supply complete bathroom packages at competitive prices, offering multiple solutions from a single source provider.

To protect our clients' expenditure, giving equal consideration to product practicality, function, perceived value, design, comfort and long-term maintenance.

To professionally advise and guide our clients through every stage of the project, either on supply only or project management.

To listen carefully to our clients in order to achieve the highest value results.

To ensure close links maintained between clients, suppliers, warehouses transportation and the client's contractor during all phases of each project.

Adhering to the guidelines of our professional responsibility and to treat our clients as our 'partners'.

To promote quality products of design, value and flare.

To mirror the same high level of professionalism with our clients as you offer yours!
